# Welcome to the 2025 Season!

**Soccer NB is excited to welcome you to the 2025 Soccer Season!**

Enclosed in the 2025 Membership Package. You will find a variety of items to help kick-start the year. Please enjoy the brief description of our programs and services.

## **PowerUp Sports Online Platform**

# Long Term Player Development

Research has proven that to get the very best out of any player's potential they need to develop basic physical literacy. They need certain things to be available to them at certain stages of development to be fit AND they also need to receive excellent instruction, ALL while having FUN in order to ensure their physical and mental development in the sport.

LTPD-based programming will provide players with a strong foundation making them more likely to stay in the sport and help them to enjoy soccer for life.

---

# Team New Brunswick

Team New Brunswick Program kicked off this year by launching the Regional ID Camps. This program called players from across the province to come out to a one-day camp to be scouted for our Team NB program. Once the Regional ID camps were completed, the program began in late September consisting of a seven-month field and online training program which included Team NB Tryouts and Winter Program leading into Spring Program. Team NB program is entirely funded through player participation fees and by any funds they can raise through fundraising events and sponsorships.

If you are approached, please support our teams by buying tickets, providing sponsorship or making donations at a tagging event. These teams range from U13 to U18 boys and girls.

Contact [pratik@soccernb.org](mailto:pratik@soccernb.org) to learn more about the program.
